

oxano®

zellschutz*

Nutritional Supplement providing Vitamins A, C, E, Coenzyme Q10, Zinc and Grape Seed Extract

Strains and environmental stress, unbalanced nutrition, the minor nutritional value of some food, high consumption of coffee, tobacco, alcohol and medicaments as well as the natural ageing process and many other things may increasingly stress the human organism and thus affect the well-being. All these strains are associated with an increased production of so-called free radicals, which must be neutralised. To do this, the organism needs antioxidants like specific vitamins, trace elements and secondary plant extracts provided through the daily food.

*) **oxano®zellschutz** (-> *cell protection*) contains zinc as well as vitamin C and E, which all contribute to the protection of cells from oxidative stress.

Additionally, vitamins A and C as well as zinc contribute to the normal function of the immune system.

The formulation is refined by co-enzyme Q10.

Grape seed extract provides valuable flavonoids and polyphenols, particularly oligomeric procyanidines, which are also known as OPC.

<u>Nutrients</u>	per Daily Intake (1 Capsule)	% NRV**	per 100g
Vitamin A (RE)	275 µg	34 %	0.05 g
Vitamin C	225 mg	281 %	38.79 g
Vitamin E (α-TE)	36 mg	300 %	6.21 g
Coenzyme Q10	10 mg	--	1.72 g
Zinc	8 mg	80 %	1.38 g
Grape Seed Extract	100 mg	--	17.24 g
<i>therein Proanthocyanidines</i>	95 mg	--	16.38 g
<i>therein OPC</i>	40 mg	--	6.90 g

** Nutrient reference value according to (EU) 1169/2011 | -- no recommendation available

Ingredients: L-ascorbic acid; grape seed extract; bulking agent: hydroxypropyl methylcellulose; d-alpha-tocopheryl acetate; zinc citrate; coenzyme Q10; separating agents: silicon dioxide, magnesium salts of fatty acids; retinyl acetate; colouring: red iron oxide, titanium dioxide.

oxano®zellschutz is vegan and contains no gluten or lactose.

Recommendation for consumption: 1 capsule per day. **oxano®zellschutz** is suitable for long-term use.

oxano®zellschutz is a well-balanced nutritional supplement. The recommended daily dose of 1 capsule per day must not be exceeded. Food supplements should not be used as a replacement for a varied and balanced diet and a healthy lifestyle.

Due to the content of vitamin A, pregnant women and those who are not sure if they are pregnant, should refer to their doctor before starting consumption.

Storage: Please, store the product in a dry and lightproof place. Keep it out of the reach of children.

Content: One box of **oxano®zellschutz** contains 60 capsules with 580 mg equiv. to 34.8 g. | (PZN -12420500)
